Three Pioneers Of Truckee Die During Past Week

Mrs. Richardson, Bottcher and Steve Besio All Laid to Rest

MRS. SADIE RICHARDSON

Episcopalian services were held at Auburn June 16th for Mrs. Sadie M. Richardson, 83, pioneer Truckee resident, who expired following a lengthy illness. Cremation was in East Lawn at Colfax and the ashes were interred in the family plot at Colfax.

Mrs. Richardson suffered a fracture of one leg a few weeks ago, shortly after she left for Auburn, and this is believed to have hastened her passing.

Born in Philadelphia August 23, 1863, Mrs. Richardson came to Auburn with her parents when eight years of age. In 1897 she came to Truckee and that same year was married to the late Warren Richardson, pioneer lumberman of this area.

Throughout her life, Mrs. Richardson was active in civic and political affairs and was a keen authority on international and national affairs before her fatal illness. She was a past matron of the Eastern Star here and a life member of the Parents and Teachers Association as well as a member of the Wyethia Women's Club in which she was active.

She is survived by one daughter, Mrs. Eugene S. Sheffield of Napa who had been living with her mother for some months, and two sons, Warren V. Richardson of Reno and Raymond R. Richardson of West Palm Springs. There are five grandchildren, Eugene S. Sheffield Jr. and Robert F. Sheffield of Maui, T. H.; Mrs. James A. H. Wilder and Mrs. Ben Norris of Honolulu and Warren B. Richardson of Reno. There are eight great grandchildren.

STEFANO BESIO

Last rites for Stefano (Steve) Besio, 69, were held at the Truckee Catholic Church Monday morning with Rev. J. Boland officiating. Interment was in the Truckee cemetery with the Truckee Funeral home in charge of arrangements.

Pall bearers were A. Neiri, Frank Saia, John Moro, Luca Sassarini, Peter Borsi and George Pace.

Besio, a native of Grosio, Italy, and a resident of Truckee since 1911, died at his home here Thursday afternoon following a long illness which had kept him confined to his bed for the last few days.

The deceased was born May 25, 1877, and came to the United States in 1903. He returned to Italy once and then in 1911 came to Truckee and Hobart Mills. In 1916 he engaged in the hotel and restaurant business which he maintained with Mrs. Besio up to the time of his death.

His widow, Mrs. Orsolina Besio, survives him.

There are four surviving children, Mrs. Rita Oroz and Angelo Besio of Truckee; Mrs. Lena Goode of Woodland and Anthony Besio of Modesto. There are four grandchildren.

The sympathy of the entire community is extended to the surviving family.

WILLIAM BOTTCHER

Death ended an illness of more than two years when William (Butch) Bottcher, 80, pioneer Truckee resident and for more than 32 years contsable here, died at his home on Sunday.

Funeral services were held Wednesday afternoon at Odd Fellows hall under the auspices of Summit Lodge No. 54, Knights of Pythias, of which Bottcher was a 50 year member. Interment was in the Truckee cemetery with the Truckee Funeral Home in charge. Pall bearers were James Hyslop, Frank A. Titus, George Andrich, M. S. Franzini, E. D. Waters and August Sassarini.

Bottcher was born in Schoenburg Germany, June 20, 1866. He came to Truckee in 1891 and worked for George Schaffer in the lumbering industry, later he was employed by by the McDougall Fountain Saloon and for a time operated a cigar store in the Dan Smith barber shop He was later a partner with Dave Cabona in a shoe store and was elected constable in 1910, a post which he held until illness forced his retirement four years ago.

He was one of the four oldest residents in Truckee from a stand point of continuous residence here and had a store of interesting stories of the early days of the community.

He left no immediate relatives although he has brothers in Germany and nieces and nephews in Wisconsin.

Here Sunday—

Mr. and Mrs. H. C. Lichtenberger of Roseville were here Sunday.

Former Residents—

Mrs. Ben Lewis and daughters, Clarabelle and Loretta, were in Truckee Monday from Reno. Clarabelle returned last week from her studies at University of California.

In Sierraville—

Mr. and Mrs. Fred Dolley were recent Sierraville visitors.

Hornberger Here—

R. Hornberger is combining a visit with the Willliam Engleharts, Sr., with some interior decorating in the house.

Accused Slayer Of Two Children Nabbed At Lake

Recognized by Lake Nurse During Treatment For Suicide Try

TAHOE CITY— Vorhas Newton, 24, San Francisco machinist, whose two small children, Barbara Anne, 2, and Caroline Lee, 7 months, were found beaten to death in a lonely cabin 25 miles south of San Francisco Tuesday, was arrested at Tahoe City last night and returned to the bay area for questioning regarding the murder of the children.

A nurse, Marilyn Laird of Tahoe Tavern, was credited with Newton's capture when she recognized him as the man whose picture she had seen in a newspaper after he was taken to the office of Dr. C. B. Pedersen for treatment.

Newton was found wandering barefooted and soaking wet on the highway near Eagle Falls and was given a ride by Mr. and Mrs. B. A. Hankins of Oceanside who took him to Tahoe for treatment. Constable Harry Johanson was called and Newton admitted his identity but could give no account of his recent activities, saying that the first he remembered was waking up on a park bench in Reno from where he hitch-hiked to Tahoe. Newton evidently had tried to end his life by leaping over Eagle Falls but failing, crawled back to the highway. He was without money. He was badly injured in the fall.

The two girls' mother, Mrs. Lorraine Newton, was found near the scene of the brutal murder in a dazed and bloody condition. She told officers that the last she remembered was going on an automobile ride with her husband and the children. Mrs. Newton is recovering from lacerations and exposure.

State Patrolman H. B. Fowler went to Tahoe last night to aid in the investigation.

FOREST CHIEF ASKS CAUTION BE USED IN TAHOE REGION

Supervisor Guerdon Ellis of Tahoe National Forest today warned that the sale, display or possession of fireworks is strictly regulated by law.

Due to unusually high temperatures during the past several weeks, the forest cover has dried out with unprecedented rapidity so that today the fire season is one month ahead of normal, Ellis said. Thus, with the stage set for a conflagration, it is mandatory in the interest of the public safety that we rigidly enforce the laws concerning fireworks.

A devastating fire on the forest would deliver a paralyzing blow to the economic structure of the Tahoe area from which we might never fully recover. By doing the following simple things while in the forest during the 4th of July holiday, we can prevent such a catastrophe.

1. Follow the rules on your campfire permit—put your campfire DEAD OUT when you leave camp.
2. Be DEAD sure your match and tobacco are DEAD out.
3. Leave your fireworks at home.

Ellis concluded: "Every forest user should remember that the fate of our beautiful forested lands lies in his finger tips every time he strikes a match."

Donner Monument Open, A. J. Trigeiros In Charge

For the first time in more than three years, the buildings at Donner Historical Monument, three miles west of Truckee, are open to the public, Mr. and Mrs. Anton J. Trigeiro are in charge of the park, the former being employed as the park ranger. The couple formerly resided at Sebastopol and since his return from the war in Europe he has returned to the state park service.

As soon as materials are available, the old buildings at the site will be replaced with new native stone structures.

Employed Here—

Miss Gertrude Smith is employed by the Truckee-Tahoe Lumber Co. in the local office and Patricia Mahne is working in Loynd's Truckee Drug.

On Trip—

Mr. and Mrs. J. C. Langille of Oakland visited their son and daughter in law, Mr. and Mrs. Harold T. Langille yesterday. The visitors have been on vacation to Washington.

Fire Danger High

By WALTER M. BARRETT

Motorists who frequent the highways these days cannot but agree on one fact and that is that sooner or later there must be a separate highway, or at least an exclusive lane, for heavy trucks. The average driver will follow a truck for miles looking for a good place to pass and then he usually gets impatient and takes a chance where danger lurks just over the crest or around the curve. Fortunately it is seldom that two such drivers meet but when they do there is serious trouble. Trucks for the most part take advantage of every bit of speed allowed them on the down grade and straight roads and often exceed this allowable speed by enough that the cautious driver following dares not attempt to pass. Congestion results and then trouble is born. We realize truck owners pay taxes to drive on the highways but they don't pay enough to give them exclusive privileges.

The forests this year are exceptionally dry and offer a serious fire hazard. Visitors to the recreational areas are urged to be more than ordinarily cautious in the use of fires and in smoking. Nature itself lends enough danger of fire without the carelessness of campers and smokers. It takes years and years for a forest to develop, and a very small spark to wipe the whole works out in short order.

Have a good time over the 4th but be careful. The highways will be jam-packed with cars and if courtesy will ever be necessary it will be during the coming holiday along the highways. Be back safe on the Fifth.

Clarks Plan Sport Lodge On Highway Near Boca

Mr. and Mrs. Floyd Clark, with Lloyd and Jay W. Clark, of Boca this week are completing the purchase of 160 acres located on both sides of the highway near the entrance to Boca from Dave Cabona and the L. VcKelvey estate.
McKelvey estate.
materials are available, they will build cottages and cabins on part of the land for a huntin gand fishing resort. He also plans to sub-divide some of the property into lots and sell for private cabin sites.

Clark is well known in this vicinity, having owned the Hirschdale Resort prior to the purchase by the present owner, Jesse Stricklin.

Reno Teacher Presents Program at Club Here

Miss Dorothy Trimble, instructor at Billingshurst Junior High School in Reno, presented a program on arts and crafts at the Wyethia Club on Thursday, June 6. Miss Trimble gave a most interesting talk on the various arts and crafts and had a varied display on exhibit.

James Hilty, accompanied by Mrs. Jack Wolert, sang a group of songs which were greatly enjoyed by the members.

Tea was served at the close of the program by Mrs. R. C. Gregory, Mrs Maurice Franzini and Mrs. Annie Tonini.

New Fixtures—

New fixtures have been installed in the cocktail lounge of the New California Cafe this week. Blond wood has replaced the dark counter, background mirror and shelves to further modernize the attractive room.

Here from Sacramento—

Mrs. Harriett Leitch of Sacramento is the guest of Mr. and Mrs. A. P. Leitch.

Wholesale Drive On Undesirables Is Started Here

Dolley Pledges Campaign To Keep Town Clean Of Vagrants

A wholesale roundup of all undesirables in Truckee was inaugurated today by Constable N. F. Dolley following the robbery of Fontana's Laundry last night when more than $1,000 worth of clothing was stolen. The loot was later recovered by Dolley and two suspects Varsel Skillern, 28, Denver, and George Miller, 23, Seattle, both colored, were charged with grand theft.

Dolley, ired at the persistent lack of interest in supplying the necessary officers to maintain order among the transient laborers who frequent this region, employed the Truckee school bus and aided by three deputies, John Collier, Dick Ackerson and Roy Waters, loaded the bus with the undesirables, charged with vagrancy, indecent exposure and violation of the county's sobriety ordinance and carted them to the county jail.

"This thing has gone far enough," Dolley declared. "I've taken the matter up with the SP which employs many of these people to work on their tracks and from now on we are going to demand that they keep this sort of labor out of Truckee. If they don't we will continue arresting them. We are going to clean this town of this sort of people if it takes all summer."

Minor robberies, fights and disturbances have become common here and Dolley declared that he is going to "get tough" and bring it to a stop before the situation gets entirely out of hand.

The thieves at the laundry entered through a window and took all the cleaning from the racks and cached it nearby.

JEFFORD INSTALLS NEW OFFICERS IN LIONS CLUB HERE

Past District Governor L. R. Jefford of Grass Valley last night installed the new officers of the Truckee Lions Club and Zone Chairman Gilbert Tennis, also of Grass Valley, gave a talk on the activities of the various clubs in his district.

R. N. Little was installed as president of the club to succeed C. B. White who was presented with a gift of appreciation by the club, Tennis making the presentation.

Other guests included Erving Waters Truckee; Reg Hornberger, Oakland, and Alvah Hooper, Grass Valley.

Mrs. Bryant Is Honored On Birthdate by Friends

Mrs. Lotta Bryant was honored on her birthdate, June 20th, at a dinner party given by Mrs. Edith Fay. Those present to share the occasion with Mrs. Bryant included Mr. and Mrs. R. P. Bick, Mrs. Annie Tonini, Mrs. Clara Ocker, Mrs. Eliza Campbell and Leo Mitchell.

Sheldon Lead Stretched To 57 by Absent Voters

Ward Sheldon was officially re-elected district attorney of Nevada County by a majority of 57 votes over Frank Finnegan. This was revealed in the count of absentee votes completed last week by the board of supervisors.

Vernon Stoll cut the lead of James Snell by 10 votes in the contest for superior judge. The final tally was Snell 2747, Stoll 2410, and W. E. Wright 1000. The two leaders will run off at the general election in November.

Richard Hoskins' lead over Sheriff C. J. Tobiassen was cut to three votes by the count which now officially at 2295 to 2292. Hoskins and Tobiassen will contest for the office in November.

McNamara Is Promoted, Moved by SP Company

G. P. McNamara, Sacramento division trainmaster, has been promoted to the post of assistant superintendent of the Southern Pacific Salt Lake division, succeeding J. A. McKinnon, who was transferred to a similar post on the coast division. McNamara's headquarters will be at Sparks.

Rotary Meet At Tahoe

TAHOE CITY— A record attendance is expected at Tahoe Tavern for the District 105, Rotary International conference of incoming presidents and secretaries on June 27 and 28. The district includes all of north-central California, Nevada and Oakland.

Up to Tuesday, 160 reservations had been received by the Tavern with 125 incoming club presidents, secretaries and their ladies expected.

Theodore Schleuter, past president of Truckee-Tahoe Rotary is chairman of registration. He will be assisted by Mrs. Schleuter.

President J. R. Wolert and his committee of Hobart Snider, Theodore Schleuter, Tom Buell, Ernest Pomin and James P. Horak of the Truckee-Tahoe Club are handling all the arrangements for the affair. The assembly officers for the two-day gathering are Charles Cross, Tahoe, chairman; Tate Williams, Reno, secretary; and Ken Henderson, Reno, sergeant at arms. Mrs. Wolert, wife of the local incoming president, has charge of the entertainment for this club which will be the pick of the best programs of the past year at the Truckee-Tahoe club sessions.

Registration began at 9 AM today, under Schleuter's supervision, but the local delegates will not appear until the cocktail hour at 6:30 this evening.

The dinner which follows at 7:00 PM is sponsored by the San Leandro Rotary. Dr. Vere Loper, D. D., will be the speaker of the evening. His topic will be "Youth Today and Rotary.

At 2:10 PM on Friday, Bishop Noel Porter of Sacramento will give the invocation. A full and constructive program has been arranged for the conclave.

A group of Truckee youngsters will present a program to the group tomorrow at the Tavern. Mrs. Wolert has been directing the following children who will perform an Hawaiian number: Barry Phipps, Tony Ilardi. Irene and Merrill Englehart, Linda and Jimmie Loynd, Rance Hoseley. Carol Ann Quilici, Jessica Rablin Nona Rae Coffee, Olivia Dugan, Jim and Barbara Brown.

Ofelia and Eleanor Dominguez will be seen in the Mexican hat dance. The latter's costume was set from Mexico for the occasion. They will be assisted by Gertrude and Alice Waters, Bobbie Dolley, Marlene Mahne, Georgeann Grigg, Ruby Doi Melva Heath, Joan Ghirard, Patricia Kinney, Viola Anderson, Marjory Parker, Harriett Tackett and Billie Copeland.

Ben Miyaoka will be heard in a saxophone solo.

Dave Hanna, president-elect of the Reno Rotary Club, gave an interesting report on the Rotary International Conference which he attended at Atlantic City when he spoke at the meeting of the local Rotary club on Monday night. Plans were completed for the district assembly to be held at Tahoe today and tomorrow.

Guests at the meeting were Ed Spaulding of Marysville and Rev. Jeremiah Boland of Truckee. Visiting Rotarians included Charles Hayward Los Gatos; Bishop Noel Porter, Sacramento; Tate Williams and Ken Henderson, Reno; Otto Fox, Auburn; Harry Whitcomb, Davis, and William Mayhew, Walnut Creek. Art Couillard presided and Steve Aplin was program chairman.

Littles Entertain Family From East on Vacation

Mr. and Mrs. R. N. Little had Dr. and Mrs. Cristie and the couple's daughter, Linda, of Nashville, Tenn., as their guests last Friday. Mrs. Little and Dr. Cristie are cousins. The family was en route to Brockway and San Francisco where the doctor will present a paper at the convention of medical men to be held in the bay city in July. He has headed the Hooper Foundation and was an assistant medical director for the Red Cross during the war.

William Y. Browning of Berkeley, brother of the hostess, plans to leave for his home this week following a visit here.

On Business—

Alvah Hooper was a business visitor here this week.

At Lakeport—

Mrs. R. P. Bick, Mrs. Eliza Campbell and Mrs. Lotta Bryant returned yesterday from a visit of several days with Mr. and Mrs. Harold Laity at Lakeport.

Work Will Start Soon On Local Highway Project

Hayward Contractors' Bid Is Low For Work On Local Project

Clements & Company of Hayward presented the low bid of $137,790 for grading and surfacing 8.5 miles of highway in this district, including the strip on Highway 40 from the Truckee-Tahoe Wye to Church Street in Truckee, it was announced by the office of Charles Purcell, state director of public works, this morning.

The spokesman said that the bid would be awarded within a few days and that work would be started within 15 days from that time, probably by the middle of July.

The work includes grading and surfacing from the Truckee River bridge between here and Tahoe to the Nevada County line besides the highway from the Wye through Truckee.

The plans called for widening the highway through Truckee's business district and the installations of curbs and gutters.

BOB TONINI MARRIES BAY AREA WOMAN AT VERDI CEREMONY

Robert Tonini of Truckee and Bertha Guymer of Berkeley were united in marriage in a ceremony performed at Verdi on Saturday, June 22.

Mrs. Raymond Hall of Berkeley and N. F. Dolley of Truckee attended the couple. Guests from out of town included Mr. and Mrs. Paul Belveal and Mrs. Frederick Grond of Berkeley and Mr. and Mrs. Victor Peracca of Petaluma. Mrs. Dolley, Mrs. Annie Tonini and Mr. and Mrs. Joseph Straub and son, Joe, all of Truckee were present.

Mr. and Mrs. Ben Tonini, parents of the bridegroom, were unable to attend because of illness in the family.

A wedding dinner was given at the Sportsmen, following the rites.

Mr. and Mrs. Tonini will make their home here where he is an employee of the Sierra Pacific Power Company since his honorable discharge from the Navy SeaBees.

FULL TIME MAN AT $2400 SOUGHT FOR UTILITY DISTRICT

The board of directors of the Truckee Public Utility District have authorized C. Edmunds, manager of the district, to employ a permanent full time assistant.

Since its organization in 1927 the district has relied upon temporary "pickup" help by the day or week in carrying on its ever-increasing work.

"The increase in the size of the district as well as its increased business, particularly in the water department, makes it imperative to put on a full time employee," said Edmunds.

Applications will be received at the office of the district up to and including July 6 and preference will be given local ex-servicemen. The pay will start at $2400 a year.

East Bay Youths Hurt Badly In Tahoe Crash

Darrell C. LeBreton, 20, and John Chamberlin, 21, both of Oakland, suffered serious injuries Saturday morning at two o'clock when a car driven by the former got out of control on Dollar Hill near Tahoe City and crashed into a tree where it was virtually demolished.

The injured were treated by Dr. C. B. Pedersen of Tahoe and then hospitalized.

State Patrolman William Gautsche, who investigated, cited LeBreton for speeding.

Mrs. Sally M. Richards, 35, San Francisco, suffered serious injuries on Tuesday shortly after noon when a car driven by Paul L. Richards, 26, also of San Francisco, got out of control on the curve on the Southern Pacific overpass near Hirschdale and overturned on the highway.

Richards told State Patrolman H. B. Fowler that the car crashed into the guard rail, swerved back across the highway and then completely turned over, landing on its wheels. There was no arrest.

From Auburn—

Mrs. Albert Ring and daughter, Yvonne, of Auburn are visiting R. Joseph, the former's father, for a week.

Employed Here—

Miss Carol Brock is employed at the Greyhound office in the New California Cafe.

In Sacramento—

Mrs. A. P. Leitch was a Sacramento visitor on Friday.

At McGwinns—

Mrs. B. O'Mallory and young son of Hawthorne, Nev., have been the guests this week of her brother-in-law and sister, Mr. and Mrs. Doyle McGwinn.

Snider Warns Against Illegal Trash Dumping In This Areas Forests

District Ranger H. I. Snider wishes to remind residents of Truckee that the town has a free garbage collection service and any special loads of trash can be hauled to the town dump by permission of the Sanitary Board or picked up by Garbage Collector McGee by payment of a nominal fee. It has been noted that several new residents in Truckee have been dumping small quantities of garbage along the highways and in the Tahoe National Forest, which is in violation of state and federal laws.

The Sanitary Board has been working for several years in cooperation with the State Board of Health and the Forest Service to establish a sanitary and fire hazard-free dumping area and now that it is available to the people of Truckee, there is no excuse in dumping trash in the forest to mar the landscape and cause a fire hazard as was done several years ago, Snider states.

The district dump is used for all trash disposal, except old automobiles, which are disposed of by permission from County Supervisor H. G. Loehr to dump in a specially prepared area to prevent fire hazards

Nevada County Property Tax Average Only Half Of Average in State

The property tax bill of Nevada county averaged $28.79 per $1,000 of assessed valuation in the county for 1945-46, California Taxpayers' Association said this week, making public its study of property tax levies by local governments in California counties.

Total taxes levied on property in the county reached $546,124 for 1945-46, the association found. Of this, the general city levies amounted to $43,914, general county taxes to $254,271, school district taxes to $236,644, special district taxes to $11,295.

Over California as a whole, property tax levies for 1945-46 averaged $43.99 per $1,000 of assessed value of property. Total levies throughout the state amounted to $375,745,183. General city levies were $78,308,561, general county taxes $138,894,861, school district levies $131,965,112, and special district taxes $26,576,649.

Property tax levies are only of the sources of revenue for local governments in California, the taxpayers' association points out.

In addition to property taxes, most local governments receive state and federal subsidies, as well as revenues from fees, licenses and other items.

It pays to advertise.

IT'S TRUE

Fifty years ago, Holland had 10,100 windmills; they generated 52,200 horsepower and cost $100,000,000.

Goldfish have been known to live 30 years.

Tea plants seven years old will yield 700 pounds to the acre.

Lowest possible temperature believed attainable is absolute zero, or 450 degrees F. below zero.

In 12 hours, 1 pound of yeast will consume 24 pounds of food and 56 gallons of water.

In the year 640 A. D. Ancient Alexandria, Egypt, had 400 theatres and places of amusement.

Wettest place in the world probably is Cherrapungi, Assam, where rainfall averaged 493 inches a year for 15 years, according to a report 50 years ago; in the year 1861 the fall amounted to 905 inches.

If the ice at the north and south poles were to melt, the sea level would be raised from 50 to 60 feet.

VETS' APPRENTICE PROGRAM SUBJECT OF TAHOE MEETS

KINGS BEACH—Two meetings will be held on Monday, July 1, at Carpenters Hall, Kings Beach, on Lake Tahoe for the purpose of explaining and organizing the Veterans' Administration apprenticeship program, it was announced this week by Sam Goss, president of Local 2035 of the Carpenters' Union.

Open not only to veteran carpenter apprentices but also to all veterans of World War II in a training status in any legitimate trade or business. The two meetings will be held at 1:00 o'clcok PM and at 6:00 o'clock PM respectively.

Employers who are now employing veterans or who intend to in the future and who wish to obtain approval under the program are urged to attend. Likewise, all veterans who wish information or who plan to make application for eligibility should make it their business to attend one of the sessions.

Vern Norton of the division of apprentice standards and Charles Brier the area training officer of the Veterans' Administration will both be on hand. Norton will take applications from employers and Brier will service the veterans.

Newly Weds Return to Make Home at Tahoe

NORTH TAHOE— Mr. and Mrs. Harvey Martin, newlyweds of Tahoe Vista, have just returned from their honeymoon trip to southern California. The young couple will reside in Tahoe Vista.

Martin is the nephew of Andy and Carl Sorensen of Tahoe Vista. Mrs. Martin is the daughter of Mr. and Mrs. A. Gallerani of Crystal Bay.

NORTH TAHOE— Richard Bonelli, Metropolitan opera star, is expected at his summer home at Crystal Bay this week.

NORTH TAHOE— Claire McClure of Berkeley is visiting her niece and nephew, Mr. and Mrs. James J. Mandeville in Kings Beach.

Manhattan Main Street

By CARL HELM

NEW YORK — Now as summer moves in, sprout the sidewalk cafes —sprightly, gay souvenirs of pre-war Europe.

French and Italian restaurants move out of doors; you eat, drink and loaf beneath carnival-striped awnings. Your little tables are festive in red-checkered covers, flanked by hedges in green tubs and boxes.

You sit coolly al fresco, while the world passes on the hot pavement. You toss crusts to the pigeons clustered cozily by, and scraps to homeless, sophisticated cats from blocks around.

Most colorful and decorative are the sidewalk cafes crouched at the feet of the granite mountains of Radio City—which sets up its own swanky version beneath striped beach umbrellas in the sunken garden beside plashing Prometheus fountain, where winter's fancy skating-pond was.

N'Yawk moves outdoors in summer when it can't escape to the woodlands. Families, from Grandma to baby, camp on stoops and steps when the sun has sunk behind the Jersey hills and breezes funnel across the island between the rivers.

Daytimes the rich sun-bathe on their high penthouse terraces, the poor on the tar roofs of tenements, and the same sun shines benignly on both.

Farewell Party Given For John Lautherns

NORTH TAHOE— A farewell party in the form of a pot-luck dinner was given in honor of Mr. and Mrs. John Lauthern of Tahoe Vista at the home of Mr. and Mrs. Herbert T. King on the Truckee Cut-Off.

The Lautherns are leaving this week for Bolivar, Missouri, where they will establish residence. They were residents of Tahoe Vista for over two years and leave many firends in this area.

Lauthern has been a partner of Warden Fields in the firm of Fields and Lauthern, building contractors.

Invitations were extended to Mr. and Mrs. Fields, Mr. and Mrs. John Claysen, Mr. and Mrs. I. F. Miles, Mr. and Mrs. Fred Baker, Mr. and Mrs. Mulford Miles, Mr. and Mrs. Sherwood Hall, Mr. and Mrs. Robert Eddy, Mr. and Mrs. C. L. Walters, Mr. and Mrs John Gallerani, Mr. and Mrs. D. McCutcheon, Mr. and Mrs. John Lauthern, Mr. and Mrs. Herbert King and Wm. Neves.

Mr. and Mrs. Louis Gerkin of Sacramento enjoyed the weekend at the home of her folks, the Henry Solls of Tahoe Pines.

It pays to advertise.

Judge Bliss Registering For Swimming Classes

TAHOE CITY— Mrs. Evelyn Bliss, Tahoe's justice of the peace, announces here this week that she will accept registrations for the Red Cross Water Safety program which will begin in the Tahoe City area on July 1. Applicants for lessons may apply on Thursday and Friday, June 27 and 28 between 2 and 4 PM. The lessons are entirely free of charge and are being made available to both school children and adults of the district through Red Cross funds. It is sincerely hoped that all who have not learned to swim will register and attend classes.

Miss Vernon Announces Library Hours at Tahoe

TAHOE CITY— Miss Florence Vernon of the Bittencourt Tract is acting librarian at the Tahoe branch of the Placer County Library in the community building. She will retain her post until September at which time it is anticipated Mrs. Ester Arpin of Tahoe, who has applied for the position, will take over.

Library hours are from 1 to 4 PM each Monday, Wednesday and Friday. Miss Vernon reports 126 books out at this time for the month of June. New books will be listed upon arrival in the column.

Mrs. Gallinger Plans to Teach at Lake In Fall

TAHOE CITY— Home for a well earned but brief vacation in Tahoe City's Bittencourt Tract is Mrs. Myrtle Gallinger and her husband Phil. She has been teaching in the Concord schools and leaves within a few days for Eureka where she will teach in summer school. This fall she will bring delight to all who know and love her by returning again to Tahoe to resume a teaching career here which has extended over some twenty years.

Mr. and Mrs. Charles Cross of the Truckee-Tahoe Lumber Company on Wednesday motored to San Francisco to mingle business with pleasure. While below they attended to some buying and also attended the graduation of Miss Sally Cross, 17, who received her diploma from Berkeley high school. She will summer at the lake and plans to attend university as yet undetermined, this fall. Charles Cross Jr., her brother, is a student at University of Nevada and enjoys his weekends with his family at the lake.

The lake level on Monday morning stood at 6228.84 with only 19 CSF of water leaving the gates in town. Warmest day of the past week was on the 18th with 77 registered and coldest was on Monday morning, the 24th, with 29 degrees.

TAHOE BRIEFS

Fred Setley of the Tahoe Fish Hatchery returned to his Tahoe home in Lake Forest last week following a rest of over a month in a private sanitarium in Lincoln. He will not resume his work at the hatchery for some time yet as the doctor has ordered a period of rest for the patient. Mr. and Mrs. Walter Mandeville are caring for him in the meantime.

Mrs. A. C. Stoddard and daughter, Barbara, returned to their home in Lake Forest from Glendale on Sunday night, school now out in the south. They were accompanied by Andy Bargaehr who will visit with them for a week or more.

Among Tahoe home owners now in on vacation are Miss Flora Anderson at Tahoe Pines; Mrs. Ned Griffith, Agea, Tahoe City; Mrs. C. Stadtmile. Kings Beach; Mrs. Frederick Ackerman, Tahoe Pines; Mr. and Mrs. Don Blessing, Piedmont and Tahoe Pines; Dr. and Mrs. J. W. Cline, Tahoe Pines; Mr. and Mrs. Paul Dulfer, San Francisco; Mr. and Mrs. William Grant, Agea, Tahoe City; Mrs. T. L. Hamlin, Casa Real, Palo Alto and Tahoe City; Mr. and Mrs. E. H. Luhrs, Piedmont and Truckee River; Mrs. Jack Lovejoy and little daughter Jo Anne; Mr. and Mrs. R. C. Moore Jr., Berkeley and Fernmoore; Dr. and Mrs. Russell Ryan, Lake Forest and San Francisco; Mr. and Mrs. Bert C. Scott, Piedmont; Lt. Cmdr. and Mrs. J. H. Todd, San Francisco, and Mrs. Lief Thorne Thomsen, Berkeley and Sunnyside.

At the lakeside summer home of the Tissue-Morgan families in Sunnyside are Mrs. Ray Tissue and four year old son, Ray Jr., of Glendale who are remaining through July and August. Guests who are vacationing briefly with them are Mr. and Mrs. Fritz Hutcheson of Pasadena. Dr. Frank Morgan dropped in over the weekend just past and both Ray Tissue, Sr., and Frank Morgan, Sr., will arrive around June 27 to remain over the 4th of July holiday. Mrs Morgan will join her family here at a later date.

M. A. Erskine, brother of Mrs Douglas Smith, and his wife of Auburn spent the weekend with the Smiths at their Tahoe City home.

Mrs. John Reedy and sister, Miss Anne McDonald, have returned to their summer cottage in Timberland Tract for the summer season.

Mr. and Mrs. Wally Beardon and son Bruce arrived at Tahoe on Monday evening from their home in Oakland and visited the Charles Swansons of Sunnyside. While here they will be guests at Tahoe Lodge. Following the completion of a business transaction at Bijou, they plan to vacation for several days.

Mrs. Howard Johnston, who with her late husband formerly owned and operated the present Dempsey resort near Tahoma, is vacationing at Lake Forest where she is occupying one of Otto Rempfer's cottages. Her present houseguest is Mrs. William Teeter of Indianapolis. On Saturday she is anticipating the arrival of Mrs. Clare Black of Oakland who will visit indefinitely. The last two weeks in August she will entertain her sister and husband, Mr. and Mrs. A. M. Morrell of Alta Dena.

Stan Martins Honored On 21st Wedding Date

TAHOE CITY— Mr. and Mrs. Stanley Martin of Tahoe City on Tuesday last observed their 21st wedding anniversary. Martin on Saturday hosted a dinner party and evening of dancing at Cal Neva in honor of their special day, guests including Mr. and Mrs. Fred Rost, Mr. and Mrs. Henry Brownell Jr. of Ohio and Mr. and Mrs. Gil Williams of Yerington. The orchestra, at the request of Rost, played a special number in their honor during the dancing hour.

Mr. and Mrs. James Frazier and daughter, Linda, are again residing in Lake Forest where his parents, the James Fraziers, plan to assist them in building a home. They have been residing in Auburn and young Frazier has been employed at McClelland Field.

Mrs. Gil Williams, aunt of Stanley Martin, is enjoying a two weeks visit at the Martin home in town.

Bison, elk, sheep, deer and moose thrive in the ample ranges provided for them in Golden Gate Park.

Tahoe Letter

From SWANEE

Tahoe City, California.
June 24, 1946

Dear Tahoeites:

Dust off the typewriter on Monday morning to send along the news of the week. The sun is shining and the birds sing but....this morning was the coldest of the past week with 29 degrees registered. Frost greeted the early risers, but no harm was done to growing plants.

Traffic over the weekend resembled the old days at Tahoe, and just about every state in the Union was represented on the license tags. And right here a few words of warning would not be amiss to strangers in our midst. Deer are becoming more plentiful in the area with each passing week and more than once I have met them standing dead still in the middle of the highway. If some of the speed displayed isn't decreased we're liable to have some tragic wrecks before the summer season is over.

High winds blew all day Sunday and even Romero's archery range near Tahoe City was closed, as no arrow could find its mark in such a whirlwind. Dust clouds raced across the highways and those on foot found it difficult to navigate. At the bridge in town lady visitors feeding the fish made quick dashes for cars as sudden gusts billowed their dresses over their heads.

With a group of friends I spent the day at the riverside estate of my old friend, Mrs. Elizabeth Walker, who continues cheerful despite the approach of July and another operation. Mr. and Mrs. Eric Druhn, PFC William Steenis and wife, Jackie Kincaid, John Franklin, Mrs. Walker and myself enjoyed a picnic lunch indoors. Later on Dr. DeWitt Burnham and Mrs. Clark Burnham dropped in to visit their Truckee River neighbor and pay their respects.

Son-in-law Bill Steenis left Sunday night for his uncertain fate at Camp Beale following a five day furlough spent in Reno and at Mrs. Walker's. Now that the army has reported him back in good health, they have decided to reassign him. A discharge at this time would shock us all most enjoyably. Another week should tell the tale. On Thursday night, with the Druhns, and daughters Marie and Jackie, we gave Bill a welcome home party he will long remember.

Mr. and Mrs. Roy Stark of the Dollar estate are looking forward with real anticipation to the coming visit of their youngest son, Bob, who has been in training at San Diego Naval Base for the past three months. Held back for several weeks with a seige of red measles, Bob has finally completed his boot training and is arriving home on a 12 day furlough on Thursday, June 27th.

Mr. and Mrs. A. C. Stoddard of Lake Forest learned last week that their son, Curt, with the navy at Treasure Island, has recovered from a tonsilectomy performed at Oak Knoll Hospital recently. His sister, Mrs. Harvey Seickert, is now in Nevada City hospital recuperating from a similar operation and her husband, with the army of occupation now in Tokyo, is also convalescing from a tonsilectomy. Their little son Billie, who visited with the Stoddards for a while, is now being care for by relatives in Burbank. Lee Stoddard, with the navy for 38 months during the war, has turned to farming and now lives in Colorado.

Bishop Noel Porter of Sacramento and Tahoe is now in for the summer season and was highly gratified at the large congregation at last Sunday's services at the Episcopal Chapel of of the Pines. He informs me today that the long anticipated special ceremonies to be held for the purpose of dedicating the rock wall at the Episcopal chapel to the boys and girls of Tahoe families who served in the war will be held in their honor here on Sunday, August 18th, at 11 AM Bishop Porter this week sends out a cordial invitation to all former members of any branch of the service now at Tahoe to be present for this dedicatory service, whether they be residents of the Tahoe area or relatives and friends of Tahoeites. Special vocal and musical selections will be featured and the general public is invited to attend. A resume of the program will be published at a later date in the Sun's columns.

Mr. and Mrs. William Wathen, who wintered in San Francisco, have returned to their home in the Bittencourt Tract for the summer. Their son, FO Robert Wathen, now stationed at Wright Field, Ohio, has reenlisted in the air forces for another year and a half according to latest reports.

Sea Marine Dick Hinkle has certainly been enjoying himself while home on furlough but will leave within a short time for San Francisco to spend a few days. He must soon return to his ship, the USS Lejune stationed at Norfolk, Virginia, where he reports back on July 8th.

Carol Droste reports in at Tahoe and her dad's office, Tahoe Realty Company, for the season today. She is driving up from Oakland and laughs at the fears of her father, who worries about her making her way alone through the traffic of the big cities en route. Carol reminded him of the months she drove a cavorting jeep across the jagged terrains of European countries during her years of service with the American Red Cross, with oot shots being taken at them at the most unexpected moments....and he guessed she'd make it to Tahoe from Oakland....maybe. Mrs. Droste will arrive on Tuesday by train, accompanied by a nurse and hopes to regain her strength and good health in Tahoe's pine scented, invigorating air. Her many friends wish her speedy and complete recovery.

CWO Phil Asal, son of Mrs. Justine Pingree, left Tahoe on Wednesday last for San Diego where he will be stationed until September. He has been enjoying a furlough home.

Captain and Mrs. John Kvistberg of Burlingame returned to their lakeside summer home on Wednesday and will remain until around July 1st. They report their grandson, Lt. Cmdr. James Easton, who has seen service across the seven seas during the war, has passed his examinations and made captain's rating. Jimmie is now home at Burlingame and has been thoroughly enjoying his first visit home in a matter of years. He is looking forward to a trip to Tahoe at his very first opportunity and may be able to celebrate the Fourth here with friends.

Ring off for the week and trust this finds you in good health and spirits and ready for a busy summer at invigorated and rejuvenated Tahoe. As ever, Swanee.

Donner Centennial

Reprinted from California Highways Public Works Magazine
by THOS. E. STANTON

This year marks the centennial of the arrival at the eastern base of the Sierras of the emigrant party, originally designiated the "Reed-Donner Party" but subsequently called the "Donner Party" after the selection, en route, of Geo. Donner as captain.

It was 28 years ago, on June 6, 1918, that the imposing monument to the pioneers and the Donner Party, on the shore of Donner Lake, was dedicated.

The Donner party left Independence, Missouri, on May 12, 1846, but the last of the survivors did not reach Sacramento—New Helvetia—until the spring of 1847, almost a year later.

Delays for one reason or another occurred all along the line, with the result that the bulk of the party did not arrived at the eastern foot of the Sierras until late in 1846 after early winter snows had acquired considerable dpth, thus hampering the progress of the party which included quite an appreciable percentage of children.

The winter of 1846-47 was exceptionally severe and the snow storms so frequent and heavy that the inexperienced emigrants were not only unable to make their way over the mountains to Sacramento, but also unable to secure enough food, through shooting or trapping, to properly sustain life, with the result that out of a total of 81 who encamped for the winter at various spots between a point on Alder Creek just east of Truckee and the easterly end of Donner Lake, where the Pioneer (Donner) Monument now stands, 36 perished during that winter, either in camp or in an attempt to get through to the Sacramento Valley and bring help to the rest of the party.

Donner Lake Discovered

At the time of the dedication of the monument in 1918, one historian recited that:

"So far as any record is preserved, this beautiful body of water (Donner Lake) was discovered by the Elisha Stevens Emigrant Party in November, 1844, and named Mountain Lake, and the first person to tarry there for any length of time was the late Moses Schellenbarger father of Mrs. Schellenbarger-McNaught, Commissioner of Elementary Schools of the State of California."

A cabin was built in which Schellenbarger spent the winter of 1844-45. It is recorded that the cabin was left standing and that it was therein that some of the members of the Donner Party took refuge in November, 1846.

In June, 1847, the Schellenbarger cabin and all of the miserable huts which sheltered the members of the Donner Party, were burned by order of General Kearney, who passed that way with a small detachment.

The tragedy gave its name to Donner Lake and to Donner Pass where the main trans-continental highway, Route No. 40, and the main line of the Southern Pacific Railroad, cross the Sierras.

Start of Emigration to California

Two years before the discovery of gold and while this region was still under the jurisdiction of Mexico there was heavy emigration to California in 1846. This emigration was stimulated by congressional publication and distribution of 10,000 copies of Fremont's famous topographical reports and maps. The reports described his overland exploration trip to Oregon and California in 1843-44 under the guidance of Kit Carson and other pioneer trappers and guides.

As Mrs. Eliza P. Donner-Houghton states in her book on the "Expedition of the Donner Party": "The commercial world was not slow to appreciate the value of those distant and hitherto unfrequented harbors. Tales of the equable climate and marvelous fertility of the soil spread so rapidly and it followed that before the close of 1845, pioneers on the western frontier of our every expanding republic were preparing to open a major route to the Pacific Coast."

1846 Historic Year

Phil Townsend Hanna in his excellent handbook of memorable historical data, "California through Four Centuries," refers to the years 1846 and 1847 as the period of "Manifest Destiny" and Bernard De Voto calls 1846 "The Year of Decision."

On May 13, 1846, President James K. Polk proclaimed that by the act of the Republic of Mexico, a state of war existed between that government and the United States. The result was the American conquest of California and Texas.

The year 1846 has likewise been designated as "Bear Flag Year" in commemoration of the fact that on June 14th of that year the Bear Flag standard of "The California Republic," was raised over the Plaza at Sonoma.

No effort will be made in this brief article to trace the course of these historical events. Suffice to say that 1846 marks the start of an era in California, the culmination of which is still undecernible.

State Highway System Launched

It is fitting, therefore, that we should this year celebrate the centenary of the genesis of this era, as well as commemorate the tragedy of the Donner Party.

In 1918 all highways across the Sierras, including the Truckee (Donner) Pass Highway, were relatively unimproved. They were narrow, single lane in many places, crooked, steep an unoiled, although it is true that starting with the last decade of the last century, the California State Legislature had initiated the policy of taking over a number of trans-Sierra highways, declaring them State highways and placing them under the jurisdiction of the State Engineeering Department. There were in those days no automobile license fees or gasoline taxes, and funds for improvement or maintenance of State roads were limited to small legislative appropriations made at the biennial sessions.

The first bond act for the improvement of a coordinated State Highway System was voted in 1909 and the first money became available in January, 1912. The work on the system of highways contemplated by the bond act was placed under the direct jurisdiction of a special commission (the California Highway Commission) and a State Highway Engineer, inpendent of the State Engineer. However the legislative act State roads continued under the jurisdiction of the State Engineer until 1917, when the Legislature of that year transferred jurisdiction to the State Highway Commission. The road to Lake Tahoe via Donner summit was one of these roads.

Part of the writer's duties with the State Highway Department at that time, included supervision of highway work in that territory, and in connection with this work he was present at the ceremonies at Donner Lake on June 6, 1918, when the monument to the pioneers and the Donner Party was dedicated.

Although the grandson of a "49,er," when in 1894, as a boy, the writer attended the funeral of Pio Pico aged 95, the last Mexican Governor of California, and gazed on his face as he lay in his coffin, he had little appreciation of the historical significance of that event. The dedication of the Pioneer (Donner Monument) however, aroused an interest in Californiana which has never waned and it was therefore, with keen interest that on June 6, 1918, over 70 years after the tragedy which has become an epic in California, the writer attended the unveiling of the monument at Donner Lake, near Truckee

The unveiling of this monument was the culmination of 10 years of construction by the Native Sons of the Golden West, which was initiated in 1908, but which, although the corner stone was laid in 1910, was slowed down by World War I which was in its last stages when the monument was finally finished and dedicated.

Survivors Attended Ceremony

Of eight survivors of the party still alive in 1918, three attended the unveiling; Mrs. Martha Jane (Little Patty) Reed-Lewis of Santa Cruz, Mrs. Eliza P. Donner-Houghton of Los Angeles; and Mrs. Frances E. Donner-Wilder of Byron, the others being prevented from attendance by infirmities incidental to their age.

All survivors of that date have subsequently passed away, the last, Mrs. Margaret Isabella Breen-McMahon died in San Francisco in 1935 at the age of 89. Mrs. Leanna Charity Donner-App was 95 years old when she died in 1930. Mrs. Elitha C. Donner-Wilder and Mrs. Naomi L. Pike-Schenck were over 90.

Pictures taken at the dedication led to some interesting correspondence particularly with Eliza Donner (Houghton) the youngest of the Donner girls.

Eliza Donner on October 10, 1860 at the age of 17 married S. O. Houghton. Houghton served as a colonel during the Civil War and from 1871 to 1875 as a member of Congress from that part of California extending from San Francisco to Mexico. He is reported as having secured during this period, the first Federal appropriation for the improvement of Los Angeles Harbor.

The family subsequently settled in Los Angeles where Mrs. Houghton was living in 1918, and where she died at the age of nearly 79 years February 19, 1922.

Reed's Part in Expedition

Martha Jane (Little Patty) Reed Lewis was the younger of the two daughters of Jim Reed who was one of the original leaders of the party. Reed, because of an incident leading to the death, by his hand, of one of the members of the party, was banished shortly after the party left the vicinity of Salt Lake and proceeded ahead to California from whence he subsequently took a prominent part in the rescue of the suvivors, including the members of his own family.

Reed was an able and upright man. Regardless of the merits of the case which resulted in his banishment and the subsequent identification of the name "Donner" as the sole title of the expedition, and the application of that name to the trail and the historical names and monuments thereto, the Reed family and their supporters always felt that any references should have been to the "Reed-Donner" Party rather than confined solely to the name "Donner."

It is 28 years since the Pioneer (Donner) Monument was dedicated. On March 22,1922, military aviators piloting four airplanes, crossed the Sierras for the first time, flying from Mather Field to Reno in one and one-half hours.

Following is an extract from a contemporary newspaper account of the event:

"THE PAST — THE PRESENT"

"The route traversed by the big airplanes today is not far from the one along which the early Californians entered the State during the days of the gold rush.

"Wagon trains often spent more than a week in crossing the mountains to the Sacramento Valley over the crude roads of those days. Of recent years with improved road conditions the trip from Sacramento to Carson has consumed three days for freight teams. The one way trip between the two cities has been a good day's work for the ordinary automobile."

Compare the above with today's schedule of less than four hours by auto and one hour by plane.

Fish, Game Licenses Are Expected to Hit New High

SACRAMENTO, June 27 —(UP)— The state department of natural resources predicted today that 1946 sales of fish and game licenses will total $1,500,000.

The department said the 1945 total was $1,115,000. The increase will be at least 200,000 licenses, the department predicted, which is about twice the increase expected.

During the week just passed I have talked with many local drivers, men who have driven local highways for years and are paid for their ability to do so. Without fail, each one of these men reported an instance of being run off the highway by vacation drivers. One told me that he now automatically looks for a wide spot beside the road every time he sees a car approaching. The carelessness of drivers these days cries out to our law makers to place more effective weapons in the hands of our motor vehicle law enforcement officers. Apparently ,the present traffic laws offer nothing but an added thrill to the "game" of driving. If the law made drivers liable for their negligence to a felony degree in cases of personal injury or death, I believe the rate would drop amazingly fast. As a rule too, license suspension follows only the most flagrant violations. Such suspension should not be for a limited period but for all time. It is time we realized that the automobile is a more dangerous weapon than a gun and had laws passed adequate to meet this condition.

No Antelope, Elk Season In California Says Ott

SACRAMENTO— Emil J. N. Ott Jr., executive secretary of the California Fish and Game Commission, announced this week that neither an antelope or an elk hunt would be held this season.

He explained that after the yearly census by the Bureau of Game Conservation it was determined that a season this year would not be in the best interests of the herds and that last year's fawn crop was very small.

Ott also announced that arrangements have beeen made with Warden Duffey of San Quentin Prison to make some antelope nets to be used in a trapping program.

"The commission intends to trap surplus antelope during the next few years and transplant them to other areas," he said. "Arrangements have also been made to transplant antelope from the Sheldon Range in northwestern Nevada to California."

NEVADA 4-H PLANS SESSION AT CAMP ON TAHOE'S SHORE

RENO— Nevada's first state-wide 4-H Club camp since 1942 will be held July 29 to August 3 at the 4-H Club camp grounds at Lake Tahoe, it was announced this week by Cecil W. Creel, director of the University of Nevada agricultural extension service. Several hundred rural boys and girls, representing all parts of the state, are expected to be on hand for the week of wholesome outdoor recreation and education.

Emphasis will be placed upon recreation at this year's camp, Creel stated, including the Red Cross plan of life saving and swimming instruction, handicrafts classes, boat rides. folk dances, nature studies, hikes, posture and health instruction, and many kinds of outdoor games.

Educational demonstrations will be given by Nevada extension workers and representatives of other agricultural agencies working in Nevada.

No state contest in agriculture and home economics will be decided at the camp this year, as has been the custom. All such competitions will be held at other times. No contest between various counties for the state flag is included in the program for this year's camp.

Club members from each county, however, will compete in such contests as the song, yell and amateur music ro stunts, the purpose of which will be entertainment and improvement, rather than the winning of points.

The 1946 camp, Creel announced, will be run largely by senior 4-H Club members under the guidance of agricultural and home economics agents in the various counties. The state 4-H Club president and other officers will appoint the officers of the day, the dining hall and grounds superintendent, the committee on discipline, etc.

President Calls Ski Club Meeting for June 28th

TAHOE CITY— Ray Fellows of Carnelian Bay, president of the Lake Tahoe Ski Club, has set Friday night, June 28th, as the next meeting date for club members and urges all to attend. The business of preparing posters and advertising matter will be taken up at that time and plans made for the new membership drive which is in the offing. The meeting place will be posted on the bulletin board at Tahoe Community Center.

Vacationing at their lakeside home next to Homewood Hotel are Mr. and Mrs. Art Sather of Auburn, their daughters Mabel and Nancy and their son and his wife, Mr. and Mrs. Ed Sather.

TAHOE FORESTER WARNS AGAINST ABUSE OF FOREST

TAHOE CITY— Fred White of the Tahoe Park Ranger Station warns Tahoe residents once more that strenuous action will be taken against any and all who burn trash or who build campfires without proper permits. Having a permit is, however, is not enough, according to White. The applicant should read it thoroughly and then follow specifications of the permit to the letter.

Due to reduction in crews this summer, a drastic program is being mapped to press action against offenders, and William French of the forest supervisor's office in Nevada City, is arriving here within a few days to assist in the fire prevention program.

White had highest praise for the fine cooperation given by Justice of the Peace Evelyn Bliss before whom cases are heard. In his opinion she is honest, fearless and impartial in her decisions.

On June 19th a campfire was left unattended in the vicinity of the old CCC camp above the golf links. It was reported by Floyd Carnell and had prompt action not been taken, serious consequences could have easily resulted. Three arrests for infractions of burning regulations have been made within the past two weeks, according to White.

Guests for several days at the Fred Rost home in Tahoe City were Mr. and Mrs. Henry Brownell Jr. and daughter, Portia, residents of Washington Courthouse, Ohio.

Placer Judge Awards Land to State at Lake for Road

AUBURN— Judge Lowell Sparks of Placer County superior court has granted the state public works department immediate possession of certain property in and around Tahoe City. The department brought a suit in eminent domain against 32 Tahoe property owners on property required in building a state highway. A deposit of $15,000 by the state accompanied the suit for immediate possession.

The highway is to run, roughly, from Tahoe City to a point 3½ miles northeast of there. Compensation for the owners was fixed in the order but may be legally contested by the defendants.

BISHOP ANNOUNCES MEMORIAL WALL TO BE DEDICATED SOON

TAHOE CITY— Bishop Noel Porter of the Episcopal Chapel of the Pines near Tahoe Tavern will hold special services here on August 18 at which time the Memorial Wall will be dedicated to the men and women of Tahoe families who served in the late war. All are requested to be present.

Bishop Porter also announces 11 new pews have been added to the former seating accomodations, 400 persons onw being able to be seated in the outdoor chapel. New hymn books numbering 150 have also been acquired.

It is hoped Mrs. Fanny Bailey Scott will be available this season as soloist as in summers past, although this is indefinite at this time. During July the organist will be Mrs. Georgia Sandy of Oakland while Mrs. Elizabeth Woods of Berkeley will play during August. Both are noted musicians and well known both at Tahoe and in the music circles of the bay region.

Called the "most Irish church on this continent," St. Patrick's Church in San Francisco has an interior finish of Connemara marble and Caen stone.

TAHOE BRIEFS

In at Meeks Bay for the summer are Mr. and Mrs. Harold Ambrosch and his dad, Charles Ambrosch. They brought along their little pet skunk, a native of Tahoe just one year old, who has been deodorized. Little Sweet Pea and their dog, Lady, are constant companions and the two were principal actors during the winter months at the time of the Be Kind to Animals Week in Los Angeles school where they performed their tricks before 6,000 children.

Mr. and Mrs. J. G. Baldocchi of Antioch arrived on Saturday to spend a few days at their Timberland Tract summer home. They brought along their little grandson, George Baldocchi, who resides with his mother, Mrs. Julia Baldocchi of Sherman Island. Lorraine Galli is also a house-guest. The Baldocchis have purchased a lovely home in Palm Springs where they will spend their winters in the future.

Demands for electrical power in Los Angeles already exceeds peak demands previously expected by December, 1948, and more generating plants must be built soon to avoid a shortage of electrical energy for light and power within the next few years.

RODEO STARS...Roy Rogers, "King of the Cowboys" and his famous horse Trigger, will be guest stars at the Sacramento Sheriff's Mounted Posse Rodeo in Hughes Memorial Stadium at the Sacramento Junior College, Sunday, June 30. Appearing with Rogers will be some of the nation's top riders and ropers in world championship competition.

Captiol Sheriff's Posse Presents Rodeo Sunday Starring Roy Rogers

SACRAMENTO—Horsemen's groups from all over California will be represented in the mounted posse and pre-rodeo festivities planned for this week-end at Sacramento by the Sacramento County Sheriff's Mounted Posse.

With Roy Rogers, "King of the Cowboys" and his famous horse, Trugger, as guest stars, the sheriff's posse will stage two rodeo performances Sunday afternoon and evening in the Hughes Stadium. Leading riders and ropers of the west are entering the competition which gives them points for the world championship.

Starting Saturday evening with a chamber of commerce banquet at Governor's Hall on the State Fair Grounds, where Rogers will be the guest of honor and do a special half hour broadcast, the posse is providing a full bill of entertainment.

The famed cowboy movie star will be Grand Marshal of the parade in which the posse is giving $600 in awards to the mounted groups participating.

Nina Elizabeth "Honeybear" Warren, daughter of Governor and Mrs. Earl Warren, has been chosen queen of the rodeo and with her brother Bobby, riding as her attendant, will take part both in the Saturday night parade and the Sunday Grand Entry Parade at the rodeo grounds in Hughes Stadium.

Sheriff's posses, horsemen's associations and riding groups from many parts of the state have made reservations to participate. They will be entertained Saturday at the banquet by the Sacramento Chamber of Commerce and a dance which will follow the Saturday night parade, and be given a special section at the rodeo.

Donald Cox, sheriff of Sacramento County, announced that Harry Rowell, nationally known rodeo arena director, is providing the rodeo stock, which assures top flight ocmpetition in every event. On the rodeo bill will be bronc busting, roping, Brahma steer riding, wild cow milking and all of the other thrills that go to make up a lusty wild western rodeo.

Tahoe Property Transfer Reported By Realty Firm

TAHOE CITY— Tahoe Realty Company reports the sale of Rev. Cedric Porter's summer home in Lake Forest to Robert Snider of Tahoe. They also announce the sale of Section 23 in the new Ward Creek subdivision to Mr. Holmwood, famous Colorado artist, who is already engaged in erecting an attractive log cabin on his property.

A Happier World

MANY are asking, "What is wrong with the world?" We expected a different world once the war was over. We thought that what we considered the good things of life would soon be available. We believed that everyone would be so grateful the war was over that all would be glad to do everything possible toward making a better world. But selfishness and greed seem to have stepped in. Instead of working together unselfishly, many appear bent on self-aggrandizement. Each wants to see how much he can acquire for himself.

The remedy, of course, is unselfish service. Only as each one works toward the common good will a better world be established. . . .

We work in the right direction when we obey the Master's injunction (Matthew 6:33), "Seek ye first the kingdom of God, and his righteousness." When Christ Jesus said that the kingdom of God is within us, he plainly pointed out that the kingdom of heaven is a right state of consciousness. In the degree that one serves unselfishly, realizing that God is governing all, does one find the kingdom of God, the spiritual dominion that means happiness and peace.

Everyone wishes to be happy. We cannot be truly happy if we fail to express unselfishness, patience, tolerance, forgiveness, gratitude, and other graces of spirit. The true selfhood of each of us is the reflection of God, divine Love. Proving this spiritual fact is the worth-while objective of life. We overcome fear, sickness, lack, and other inharmonies in proportion as we realize that we are in reality the children of divine Love, hence spiritual. . . .

Wonderful is the result of understanding the glorious fact that man is animated only by divine Love. It enables us spontaneously to express selfless qualities so evi[illegible]n the life which reflects the k[illegible]dom of God. Mary Baker Eddy writes in "Science and Health with Key to the Scriptures" (p. 248), "Let unselfishness, goodness, mercy, justice, health, holiness, love — the kingdom of heaven—reign within us, and sin, disease, and death will diminish until they finally disappear." . . .

All desire abundant life. Christ Jesus declared (John 10:10), "The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly." The carnal mind is the thief which would through selfishness and greed keep us from experiencing the joy and health that are rightfully ours. . . .—*The Christian Science Monitor.*

Tahoe Women's Club Has Party Honoring New and Past Officers

TAHOE CITY— Fourteen ladies of the Women's Club of Tahoe attended and enjoyed the tasty repast prepared by Mrs. Sam Goss, chairman, on Thursday afternoon, June 20. The luncheon was for members only, the occasion honoring incoming president, Mrs. Jean Callender, and outgoing president, Mrs. Eleanor Swanson, and their officers. Following the luncheon the new president presented Mrs. Swanson with a lovely gift from the club members, which was accepted in a short appreciative speech. Bridge followed with winning scores going to Mrs. Ethel Atherton of Reno and Mrs. Swanson for high and consolations to Miss Florence Vernon and Mrs. Ralph Sturgis.

Next meeting of the club will be July 2nd as the Fourth of July falls upon the regular meeting date. All members are urged to attend as there will be discussion pertaining to portions of the club bylaws.

Dr. and Mrs. Cameron Snell and son Douglas are vacationing at their Homewood summer home. Young Snell has been taking limits of mackinaw and rainbow from the lake, proving his ability as a fisherman by sending them to friends in Vallejo and vicinity.

'Teen-Age Homestead Bill Sent to President's Desk

WASHINGTON— The Senate has sent to the President for signature a bill by Rep. Clair Engle which provides that veterans under 21 years of age may file homestead entries. Existing law bars veterans under age from filing such claims.

The measure, approved by the House in March, was passed by the Senate June 14. The bill provides that any honorably discharged veteran of World War II, who has served at least 90 days, will be qualified to file a homestead claim.

Engle said the measure will rectify "a gross discrimination" against veterans under 21 years of age.

HARRY DUKES DIES AFTER 20 YEARS AS WATER MASTER

RENO— Harry C. Dukes, 68, one of the west's foremost authorities on water problems on the Truckee River and water master of the river for 20 years, died suddenly Saturday in a Reno hospital following a heart attack.

Dukes took over administration of the Truckee River in 1926 when federal court adjudication of water rights had been determined in a temporary decree. The decree became final in 1944. In signing the final decree Judge F. H. Norcross said he never had a complaint during the 17 years Dukes administered the water rights under the temporary decree and appointed him water master under the 1944 decree.

Dukes was born in Iowa and earned an M.D. degree but just before he was graduated from the College of Physicians and Surgeons in San Francisco, he enlisted in the medical corps for the Spanish American War. He served in the Philippines and on his return, received his degree. He never practiced medicine, however, and went to Nevada where he could engage in outdoor work.

He worked in mining at several places in Nevada. While in Yerington he was appointed secretary of the Walker River Irrigation District, a position he held at the time he was appointed water master of the Truckee River. He was a member of Reno Elks Lodge, Spanish American War Veterans, Veterans of ForeignWars, Reno Engineers Club and National Geophysical Union.

Surviving are his wife, three sons and three daughters.

Total 1945 egg production in California was 2,087 million.

All our meals are planned by trained dietians. They know how to balance a meal and make it tasty and attractive, too. No need to worry about vitamins when you eat here.

Laundry Tips. . .

You Should Have Two Laundry Lists . . .
Seldom are pieces of laundry lost when you keep a duplicate copy of your laundry list. It saves time and mis understandings between us.
Step Right Up and Try Our Laundry . . .
You'll agree that our laundry does the finest work, but after-all, we're no cure-all. Don't let your clothes become oversoiled. They'll wear longer.
Put Them All In Their Places . . .
Sorting your clothes before our driver arrives saves time. Separate them as to color and material.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN And For THE COUNTY Of NEVADA

In the matter of the Estate of LEONORA GERTRUDE McGLASHAN, also known as Leonora G. McGlashan, also known as L. G. McGlashan, Deceased

No. 3531 NOTICE OF EXECUTRIXES' AND EXECUTORS' SALE OF REAL ESTATE AT PUBLIC AUCTION

NOTICE IS HEREBY GIVEN, that Bliss I. Hinkle, Nonette Hennessey and George F. Kelly, executrixes' and executor of the estate of Leonora Gertrude McGlashan, alias, deceased, will sell at public auction, to the highest bidder, for cash, lawful money of the United States, and subject to the confirmation of said court, on Friday, the 12th day of July, 1946, at the hour of ten o'clock in the vestibule of the Court House, in said County of Nevada, all the right, title, interest and estate of said Leonora Gertrude McGlashan, alias, deceased, at the time of her death, being an undivided interest in and to the property hereinafter described, and all the right, title, and interest that the said estate has acquired, by operation of law or otherwise, other than or in addition to that of said deceased at the time of her death, in and to all those certain lots, pieces or parcels of land situate in Nevada County, more particularly described as follows, to wit:

All those certain lots, and parcels of land situate in the County of Nevada, State of California, bound and particularly described as follows:

PARCEL 1: A perpetual right of way for a pipe, ditch, flume or aqueduct to convey water extending from the North Bank of the Truckee River within 10 feet of high water mark commencing in the rear of Lot 41 in River Front Block, West of Bridge Street on the said North Bank of the Truckee River, and extending thence Easterly along said North Bank the entire length of River Front Block East in the rear of 41 Lots in River Front West and 48 Lots in River Front East to what is commonly known and described as the Moody Extension of the town of Truckee, County of Nevada, California.

PARCEL 2: All that land bound on the North by High Street, on the East by Bridge Street, extended, on the South by Lots on the North side of Main Street East, and on the West by Spring Street, EXCEPTING that certain triangular piece or parcel of land owned by Timothy O'Hanrahan bounded North by High Street East and South by the wagon road leading diagonally up the hill from the rear of Ghirardi's Barn and blacksmith building, to a point near Marzen's residence where it intersects with High Street, and West by Spring Street, as shown by Waggoner's Map of Truckee, Nevada County, California.

PARCEL 3: All of Lots 1, 2, 3, 4, 5, 6 and 7 in Block I; Lots 1, 2, 3, 7, 8, 9, 10, 11, 13, 16, 17, 18, 19, 20, 21, 22 and 23 in Block M; Lots 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35 and 36 in Block N; Lots 2, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35 and 36, in Block O; Lots 2, 3, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28 and 29 in Block P, of McGlashan's Addition; the said lots and blocks are drawn and delineated on Waggoner's Map of Truckee, Nevada County, California.

PARCEL 4: Spring Block No. 3 excepting the tunnel and rights of way heretofore conveyed to the McGlashan Water Company, situate in the town of Truckee, Nevada County, California.

PARCEL 5: The southeast ¼ of Section 9, Township 17 North, Range 16 East, M.D.B.&M., situate in the County of Nevada, State of California

PARCEL 6: The southwest ¼ of Section 9, Township 17 North, Range 16 East, M.D.B.&M., situate in the County of Nevada, State of California.

PARCEL 7: The northeast corner of Section 15, Township 17 North, Range 16 East, M.D.B.&M., situate in Nevada County, California, according to that certain Deed from the Truckee Lumber Co. to C. F. McGlashan dated June 3, 1899, recorded August 10, 1899, in Vol. 87 of Deeds, Page 630, Records of Nevada County, Calif., excepting those portions platted in McGlashan Addition as Blocks I, L, M, N, O, P containing 56.5 acres more or less.

PARCEL 8: The northeast ¼ of Section 9, Township 17 North, Range 16 East, M.D.B.&M., situate in the County of Nevada, State of California.

PARCEL 9: The north ½ of Section 7, Township 17 North, Range 16 East, M.D.B.&M., situate in the County of Nevada, State of California.

PARCEL 10: The south ½ of the Northeast ¼ of Section 12, Township 17 North, Range 15 East, M.D.B.&M., situate in the County of Nevada, State of California.

PARCEL 11: All those certain lots, pieces and parcels of land situate in the Bucknam Tract, Donner Lake, County of Nevada, State of California, and bounded and described as follows:

On the map of said Bucknam tract on file in the office of the County Recorder of Nevada County, Lot 16 in Block 153, Lot 9 in Block 199, Lots 6, 7, and 8 in Block 212; Lots 1, 2, 3, 4, 5, 6, 7, and 8 in Block 211; Lots 6 and 7 in Block 133; Lots 1 and 2 in Block 201; Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, and 16 in Block 218.

Also a right of way belonging and pertaining to each of said Lots in Donner Camp, Bucknam Tract, mentioned aforesaid, on, over, through and across the East 25 feet of the Northwest ¼ of Section 18, Township 17 North, Range 16 East, M.D.B.&M., being a strip of land on the East side of the Northwest ¼ of said Section 25 feet in width and 810 feet long, more or less, extending from the Southwest corner of Bucknam Tract, Donner Camp to the shore of Donner Lake; together with the water rights and access to the springs rising on said Donner Camp, Bucknam Tract, pertaining to each of said lots aforementioned.

PARCEL 12: Lots 1 to 5 inclusive in Block 222, and Lots 1 to 6 inclusive in Block 187, in the Bucknam Tract, Donner Lake, as designated and delineated on the official map or plat of said tract on file in the office of the County Recorder, County of Nevada, State of California, together with the water rights and rights of access to Donner Lake. Also Lots 1 to 16 inclusive in Block 109 and Lots 1 to 8 in Block 211.

PARCEL 13, The Northeast ¼ of Section 4, Township 17 North, Range 16 East, M.D.B.&M., situate in the County of Nevada, State of California.

PARCEL 14: The South ½ of Section 3, Township 17 North, Range 16 East, County of Nevada, State of California.

PARCEL 15: An undivided ½ interest in and to the North ½ of Section 7, Township 17 North, Range 16 East, containing 320 acres; and the South ½ of the Northeast ¼ of Section 12, Township 17 North, Range 15 East, containing 80 acres.

PARCEL 16: Lots 20, 21, and 22 in Block I, of the Town of Truckee, as per the official map of the Town of Truckee, County of Nevada, together with Spring Block Two in the rear of and North of said lots, together with the tank situate thereon and the water pipes leading therefrom.

Looking Ahead

SOON after V-E Day, Col. Edward D. Churchill, surgical consultant of the Allied Mediterranean forces, toured six German military hospital areas and reported his findings. The report is most significant in the light of efforts to make medicine the servant of politics in America. Comments on the report are here reprinted by permission of *Collier's*, the National Weekly.

"As we all know, American doctors' care of wounded in this war has been and continues phenomenal as regards its record-breaking percentages of cures and its development of new techniques and remedies. There was considerable expectation that the German doctors . . . would have some pretty phenomenal achievements of their own to report . . . but Colonel Churchill did not find them.

Fatal Apathy

"HIS over-all conclusion . . . was that German handling of wounded was about 20 years behind the American procedure. Going into details, he reported that German army doctors as a rule just casually passed up badly wounded men on the assumption that they were going to die anyway, whereas our doctors fight to the last gasp for every wounded man's life, and frequently win. . . .

"As for professional pride in pulling off near-miracles or cure or amelioration, such pride just was not *in* the bulk of German military physicians and surgeons. . . . They were victims of apathy and lack of ambition which would enrage a typical American doctor. This is a sad backslide from Germany's proud position as world leader in medicine and surgery in the pre-Hitler days.

Lessons For Us

"ARE there any lessons in it for us? It began to happen soon after Hitler saddled *his* brand of totalitarianism on Germany. It seems reasonable to conclude that it happened *because* Hitler saddled Nazi totalitarianism on Germany. . . . In Nazi philosophy, your race and politics matter far more than your brains and talents.

"You might be a brilliant physician or surgeon or research scientist, but if you were a Jew or an anti-Nazi of any description, you had to get out of Germany if you could, . . . go to a concentration camp if you couldn't get out. Thus Hitler and his crew decimated German science. Their master-race convictions, too, led logically to . . . the use, in some concentration camps, of humans of 'inferior' breed as guinea pigs for . . . laboratory experiments.

"The lesson in the German experience seems clear enough. . . . There is no substitute for a free, bold and inquisitive medical profession or for generously financed and expertly staffed medical research, carried on year-in and year-out. It is devoutly to be hoped that the lesson of the German medical collapse will not be lost on us."

State Controller Cuts Gas Tax Pie; Mountain Counties Receive Fund

SACRAMENTO— State Controller Thomas H. Kuchel this week apportioned $14,773,112 of gasoline tax revenue for the quarter ended March 31, 1946.

This apportionment, said Kuchel, represents an increase of $4,101,988, or 38.44% over the amount apportioned for the corresponding quarter last year and a decrease og $676,902, or 4.38 per cent, under the apportionment for the preceding quarter ended December 31, 1945.

The latest apportionment in this and neighboring counties were as follows:

County	Registered Vehicles	Total Apportionment
Nevada	5,685	$16,229.37
Placer	11,682	25,437.31
El Dorado	5,122	15,364.87
Sierra	774	8,688.48

One-third of the total apportionment, or $4,924,371, was distributed to the 58 counties of the State and the remaining $9,848,741 was deposited by Kuchel in the State Highway Fund. From this amount, the Division of Highways will allocate $2,462,185 to be expended for street and highway construction and maintenance within the cities of California. The balance of $7,386,556 remaining in the highway fund will be used for improvement of the State Highway System.

West End of County Prepares for Gala Observance on July 3-4

NEVADA CITY— The 4th of July committee and the Whiskerinos announced last week that June 28 will be the day on which a queen will be chosen for the celebration in which Grass Valley this year joins with Nevada City.

The announcement will be made at a dance sponsored by the Whiskerinos on that date. The names of almost a dozen applicants for the honor have not yet been divulged.

Small boys of the two communities are being urged to get ready for soap box derbies. J. F. Siegfried, chairman of the sports committee, stated that plans for log sawing, boxing and rock drilling contests have been completed.

The Nevada City Nugget, in addition to the $50 provided by the chamber of commerce, will give five awards of $5 each for the most beautiful and manly beards in the following classifications:

The best "full flowering or uninhibited whiskers"; best fringe or border whiskers; best chin whiskers. any style; best burnsides or muttonchops; best mustache or soup strainer.

LOOK *to Greyhound first for*

EXPERT DRIVERS

The Greyhound bus driver has become a symbol of skill and service in motorized transportation. With him you ride secure in the knowledge that behind the wheel is a highly trained expert, *one of the world's finest drivers.*

Both training and tradition give the Greyhound driver well-deserved pride in his ability. New drivers, regardless of previous experience, receive a full month or more of intensive special training before taking over on their own. They must pass certain physical and mental tests comparable to those of the Army Air Corps. And now most of Greyhound's former experienced drivers are back at the wheel after serving in the Armed Forces.

Remember, too, that these Greyhound experts are *more* than bus drivers . . . they are equally famed for their friendly, eager attention to every detail of service that makes traveling by Greyhound more than just a way to go places.
